## 14. YOUR RESPONSIBILITY TOWARDS PREMIUM PAYMENTS

Your policy is an annual policy, payable in **12** (twelve) equal payments. Your policy will only be activated once we receive your first monthly premium. Thereafter you must pay the full monthly premium, in advance, on the agreed payment dates as stated on your Schedule of Insurance.

If we do not receive the premium for your policy on the agreed payment date, we will allow a **15** (fifteen) days' period of grace. During this grace period, you may pay your premium either by requesting a forced debit from OmniGap or utilizing the Pay@ service which can be sent to you via a link.

**Cooling Off Period:** A policyholder may, where a policy has a term longer than a month, and no benefit has yet been paid or claimed, or an event insured against under the policy has not yet occurred, within **14** (fourteen) days after the date of receipt of the Schedule of Insurance, cancel the policy entered into with the insurer by way of a written cancellation notice to the insurer. All premiums or moneys paid by the policyholder to the Insurer, up to the date of receipt of the notice received at any date thereafter, in respect of the cancelled or varied policy, must be refunded to the policyholder, subject to a 20% (twenty percent) handling fee for administration services.

Should your premium not be paid, a double debit is due on the next debit date. For debit order payments a double debit will be submitted to your bank. If this debit is also unpaid, the policy will be cancelled with effect from 24h00 on the last day of the month for which premium was received.

If the policy owner requests a reinstatement of a cancelled policy, this will only be considered at the Insurer's discretion and requires a signed health declaration document in support of the request. Considerations for reinstatement will be limited to a maximum of **90** (ninety) days after the cancellation date of the policy.

Any requests that exceed the 90 (ninety) day period are subject to a new application and all relevant terms and conditions will apply.

Please note that you will not have any cover unless all premiums are paid up to date. Any revocation of premium debit authority will result in the immediate cancellation of your policy.

It remains the sole responsibility of the policyholder to ensure that full premiums are paid on the due date.
